

## KOMAND Version 7.6.0 Now Available!

January 15, 2024

Dear KOMAND Customer:

**PACE Applied Technology, Inc. announces the availability of the latest KOMAND release (version 7.6.0).** PACE continues to add new support for software platforms as well as fixing reported problems in this new release.

**Customers currently on maintenance may send an email to [Don Carlson](mailto:dcarlson@pace.us.com) ([dcarlson@pace.us.com](mailto:dcarlson@pace.us.com)) or call PACE at 703-369-3200 and choose the Customer Support option to request the new release.**

Customers may also contact [Don Carlson](mailto:dcarlson@pace.us.com) ([dcarlson@pace.us.com](mailto:dcarlson@pace.us.com)) for information about our custom training and consulting services. Don can also help organizations with limited staff apply and test the new release. Classes may be tailored to the products and subjects your organization needs and Don can streamline your current process. Taken together, these benefits can result in less time required from staff and savings for your organization.

If you are interested in learning more about any of our KOMAND products, please contact [Mike Cox](mailto:mcox@pace.us.com), Director of Sales, at [mcox@pace.us.com](mailto:mcox@pace.us.com) or 703-723-5863.

Thank you for your continued use of PACE Applied Technology's KOMAND family of IT Enterprise resource accounting products.

Sincerely,

*Don Carlson*

Director, PACE Support Services
